Annual Notice of Changes for 2024

You are currently enrolled as a member of Sharp Direct Advantage CalPERS (HMO). Next year, there will be changes to the plan's costs and benefits. ***Please see page 5 for a Summary of Important Costs, including Premium.***

This document tells about the changes to your plan. To get more information about costs, benefits, or rules please review the *Evidence of Coverage*, which is located in our website at calpers.sharphealthplan.com. You may also call Customer Care to ask us to mail you an *Evidence of Coverage*.

- **You have from Sept. 18 until Oct. 13 to make changes to your Medicare coverage for next year.**

What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - Review the changes to Medical care costs (doctor, hospital).
 - Review the changes to our drug coverage, including authorization requirements and costs.
 - Think about how much you will spend on premiums, deductibles, and cost sharing.
- Check the changes in the 2024 "Drug List" to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2024* handbook.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan

- If you don't join another plan by Oct. 13, 2023, you will stay in Sharp Direct Advantage CalPERS (HMO).
- Members enrolled in our plan through a plan sponsor can make plan changes at times designated by your plan sponsor.
- To change to a **different plan**, you can switch plans between Sept. 18 and Oct. 13. Your new coverage will start on **Jan. 1, 2024**. This will end your enrollment with Sharp Direct Advantage CalPERS (HMO).
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

Please note: You should consult with your plan sponsor regarding the availability of other "employer sponsored" coverage before you enroll in a plan not offered by your plan sponsor, or before ending your membership in our plan outside of your plan sponsor's open enrollment period. It is important to understand your plan sponsor's eligibility policies, and the possible impact to your retiree health care coverage options and other retirement benefits before submitting a request to enroll in a plan not offered by your plan sponsor, or a request to end your membership in our plan.

Cost	2023 (this year)	2024 (next year)
Monthly premium (You must also continue to pay your Medicare Part B premium.)	\$249.79	\$249.79

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more, if you enroll in Medicare prescription drug coverage in the future.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be *less* if you are receiving “Extra Help” with your prescription drug costs. Please see Section 5 regarding “Extra Help” from Medicare.

Section 1.2 Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2023 (this year)	2024 (next year)

There are changes to our network of pharmacies for next year. **Please review the 2024 Provider and Pharmacy Directory to see which pharmacies are in our network.**

Section 1.5 Changes to Part D Prescription Drug Coverage

Changes to Our "Drug List"

Our list of covered drugs is called a Formulary or "Drug List." A copy of our "Drug List" is located on our website at calpers.sharphealthplan.com/SDAdruglist. You can also get a copy of our Drug List mailed to you by calling Customer Care (phone numbers are printed on the back cover of this booklet).

We made changes to our "Drug List," which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the "Drug List" to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the "Drug List" are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online "Drug List" to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Care for more information.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs ("Extra Help"), **the information about costs for Part D prescription drugs may not apply to you.** We have sent you a separate insert, called the "Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs" (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive "Extra Help," and you haven't received this insert, please call Customer Care and ask for the LIS Rider.

There are four **drug payment stages.** The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Changes to the Deductible Stage

Stage	2023 (this year)	2024 (next year)
Stage 1: Yearly Deductible Stage	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

Changes to Your Cost Sharing in the Initial Coverage Stage

Your cost-sharing in the initial coverage stage may be changing from a copayment to coinsurance or coinsurance to a copayment. Please see the following chart for the change from 2023 to 2024.

Stage	2023 (this year)	2024 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p>During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost.</p> <p>Most adult Part D vaccines are covered at no cost to you.</p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost sharing. For information about the costs for a long-term supply; or for mail order prescriptions, look in Chapter 6, Section 5 of your Evidence of Coverage.</p> <p>We changed the tier for some of the drugs on our Drug List. Stage	2023 (this year)	2024 (next year)
	<p><i>Tier 5- Specialty Drugs:</i> You pay \$20 per prescription</p> <p><i>Tier 6- Select Care Drugs:</i> You pay \$0 per prescription</p> <hr/> <p>Once your total drug costs have reached \$4,660, you will move to the next stage (the Coverage Gap Stage).</p>	<p><i>Tier 5- Specialty Drugs:</i> You pay \$20 per prescription</p> <p><i>Tier 6- Select Care Drugs:</i> You pay \$0 per prescription</p> <hr/> <p>Once your total drug costs have reached \$5,030, you will move to the next stage (the Coverage Gap Stage).</p>

Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 2

Deciding Which Plan to Choose

Section 2.1 If you want to stay in Sharp Direct Advantage CalPERS (HMO)

To stay in our plan, you don’t need to do anything. If you do not sign up for a different plan or change to Original Medicare by Oct. 13, you will automatically be enrolled in Sharp Direct Advantage CalPERS (HMO) for 2024.

Section 2.2 If you want to change plans

You should consult with your plan sponsor regarding the availability of other “employer sponsored” coverage before you enroll in a plan not offered by your plan sponsor, or before

ending your membership in our plan outside of your plan sponsor's open enrollment period. It is important to understand your plan sponsor's eligibility policies, and the possible impact to your retiree health care coverage options and other retirement benefits before submitting a request to enroll in a plan not offered by your plan sponsor, or a request to end your membership in our plan.

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- *OR*— You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2024* handbook, call the California Health Insurance Counseling and Advocacy Program (see Section 5), or call Medicare (see Section 7.2).

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Sharp Direct Advantage CalPERS (HMO).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Sharp Direct Advantage CalPERS (HMO).
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Customer Care if you need more information on how to do so.
 - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY/TDD users should call 1-877-486-2048.

SECTION 3

Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **Sept. 18 until Oct. 13**. The change will take effect on Jan. 1, 2024.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for Jan. 1, 2024, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage).

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

Important Note: You may join or leave a plan only at certain times designated by your plan sponsor. If you choose to enroll in a Medicare health plan or Medicare prescription drug plan that is not offered by your plan sponsor, you may lose the option to enroll in a plan offered by your plan sponsor in the future. You could also lose coverage for other retirement benefits you may currently have through your plan sponsor. Once enrolled in our plan, if you choose to end your membership outside of your plan sponsor’s open enrollment period, re-enrollment in any plan your plan sponsor offers may not be permitted, or you may have to wait until their next open enrollment period.

You should consult with your plan sponsor regarding the availability of other “employer sponsored” coverage before you enroll in a plan not offered by your plan sponsor, or before ending your membership in our plan outside of your plan sponsor’s open enrollment period. It is important to understand your plan sponsor’s eligibility policies, and the possible impact to your retiree health care coverage options and other retirement benefits before submitting a request to enroll in a plan not offered by your plan sponsor, or a request to end your membership in our plan.

SECTION 4

Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In California, the SHIP is called the Health Insurance Counseling and Advocacy Program (HICAP).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. HICAP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call HICAP at 1-858-565-1392. You can learn more about HICAP by visiting their website (<https://elaca.org/medicare-health-insurance-support/>).

SECTION 5

Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs.

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY/TDD users should call 1-877-486-2048, 24 hours a day/7 days a week;

 - Your State Medicaid Office (applications).

- **Prescription Cost sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost sharing assistance through the AIDS Drug Assistance Program. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call ADAP at 1-844-421-7050.
