Introduction / Introducción

This directory is organized to help you find Plan Physicians, Plan Hospitals and other Plan Providers in Sharp Health Plan's PERFORMANCE Network (Network ID 0310.0002). Please use this directory to select a Primary Care Physician (PCP) for you and each family member. This directory will also help you understand some key terms and answer questions about how to enroll and where to call for help.

Mental Health services

As of January 1, 2026, we have partnered with OptumHealth Behavioral Solutions of California to provide mental health and substance use disorder services to our members. The OptumHealth Behavioral Solutions of California network includes thousands of providers, a suite of virtual mental health and substance use disorder specialty care, and 24/7 access to personalized evidence based digital tools and wellness resources. Please know that there is a separate print provider directory and online provider directory with listings of behavioral health providers and facilities within the OptumHealth Behavioral Solutions of California Network at www.sharphealthplan.com/findaprovider.

Accessibility

Members are entitled to full and equal access to covered services, including enrollees with disabilities as required under the Americans with Disabilities Act (ADA).

Sharp Health Plan is committed to meeting the accessibility needs of its members. We make every effort to ensure that our providers report the accessibility of their offices and facilities, including their accommodations for persons with disabilities such as auxiliary aids; their services to ensure effective communication in person and via telehealth; and descriptions of available accommodations for people with physical disabilities. For the provider directory, please know that the provider reports accessibility, and it is not a guarantee that you will find total accessibility at every provider's location. We recommend members to call your doctor's office to discuss your specific access requirements. You can contact our Customer Care team via email at customer.service@sharp.com or call at 1-858-499-8300 or toll free at 1-800-359-2002 to support you and your request. The hearing and speech impaired may dial 711 or use California's Relay Service's toll-free numbers to contact Customer Care:

- 1-800-735-2922 Voice
- 1-800-735-2929 TTY
- 1-800-855-3000 Voz en español y TTY (teléfono de texto)

Your Primary Care Physician (PCP)

The physician you choose as your personal doctor is called your Primary Care Physician. He or she will be responsible for all your health care needs, including if you need to be admitted to the hospital or referred to a specialist. Because your PCP knows your medical history, he or she can direct you to the most appropriate course of treatment.

Using This Directory

If you have a personal doctor and would like to select him or her as your PCP, look in the Providers Index of this directory to see if he or she is available. This section has a listing of all Providers sorted by the doctor's last name.

If you do not yet have a personal doctor or if you are searching for a doctor near your home or office, look in the PCP's by Medical Groups Section of this directory. This section has a listing of all PCPs (with their respective Medical Group affiliation), and sorted by the Specialty and City where the doctor's office is located.

Members have direct and unlimited access to Primary Care Physicians (Family Practice, Internal Medicine, etc.) as well asOB/GYN physicians for Obstetrical and Gynecological services, all within their Plan Medical Group (PMG). If you would like to find out which doctors are available to you for these services, look in the Specialists Section of this directory. This section has a listing of all Specialists and OB/GYNs with their respective affiliated Medical Groups indicated.

If you do not select a PCP when you complete your enrollment form, Sharp Health Plan will assign one for you that is convenient to the region where you live.

If you are newly enrolling with Sharp Health Plan, and currently receive care from a PCP or a Specialist, please make sure that both your current PCP and/or Specialist are participating in the Sharp Health Plan PERFORMANCE network, and that your Specialist is associated with the same Plan Medical Group as your PCP.

If you do not locate a PCP, Specialist, or an Urgent Care Center within your Plan Medical Group in this Provider Directory, or if you have additional questions regarding your ability to continue to use your current health care provider, please contact the Sharp Health Plan Customer Care team at 1-858-499-8300 or 1-800-359-2002 to assist you with all the options available through Sharp Health Plan.

Answers To Some Commonly Asked Questions

What do I do in an Emergency?

If you need emergency medical care, call "911" or go to the nearest hospital emergency room.

Will I be covered inside or outside the Sharp Health Plan service area?

Hospital emergency room services provided inside or outside the Service Area that are Medically Necessary for treatment of an Emergency Medical Condition are covered. You will pay an applicable Copayment to the hospital for Emergency Services provided in a hospital emergency room whether the hospital is a Plan Hospital or not. The Copayment is waived if you are admitted to the hospital from its emergency room. Please refer to your Member Handbook under “What Are Your Covered Benefits” for further information.

What if I’m not sure whether it’s an Emergency?

An Emergency Medical Condition is a medical condition, manifesting itself by acute symptoms of sufficient severity, including severe pain, such that the absence of immediate medical attention could reasonably be expected to result in any of the following:

- Placing the patient’s health in serious jeopardy; or
- Serious impairment of bodily functions; or
- Serious dysfunction of any bodily organ or part

Call your PCP (even after normal business hours). He or she can help decide the best way to get treatment and can arrange for prompt urgent care or emergency room care. However, do not delay in getting care if your PCP is not immediately available.

If you access Emergency Services or Urgent Care Services and it is later determined by the Plan Medical Group (PMG) or the Plan that the care obtained was not medically necessary, it will not be paid for by the Plan, and you will be responsible to pay for the care. Please refer to your member Handbook for further information.

When should go to Urgent Care vs the Emergency Room?

Emergency care can save your life if you’re critically sick or injured. But for less severe complaints, you may get faster and less expensive treatment by heading to an urgent care center.

Common reasons to visit an urgent care center include:

- Sprains or strains of your arms or legs
- Headaches that are not typical for you
- Sore throat, cough, flu or low-grade fevers
- Urinary tract infections
- Persistent vomiting or diarrhea

If an illness or injury is severe or if you need care immediately, the emergency room is the right choice. Emergency rooms are equipped and staffed to handle complex and critical care needs

Common reasons to visit an emergency room include:

- Traumatic injuries from a vehicle accident or fall
- Chest pain or difficulty breathing
- Significant head injury
- Suspected heart attack or stroke
- Seizures

It's important to remember that you must go to an urgent care center within your plan medical group. Be sure to call your primary care physician (PCP) prior to your visit. If you are unable to reach your doctor during business hours, please call Customer Care at 1-858-499-8300.

Outside of business hours and 24 hours on weekends, please call Sharp Nurse Connection® at 1-800-359-2002.

You can visit a convenient urgent care center near you. After receiving urgent care services, your PCP may want to see you when you return.

What if I need to see a Specialist?

If a specialist is needed to treat your condition, your PCP will refer you to the appropriate physician. In most cases, each Plan Medical Group includes a different set of Primary Care Physicians, Specialists, Urgent Care Centers and other providers. If you go to a specialist that has not been authorized by your PCP, those services will not be covered under Sharp Health Plan.

What if I need to go to the Hospital?

If you need hospitalization, your Sharp Health Plan physician will send you to the hospital where he or she has admitting privileges. Each Plan Medical Group includes a different set of Primary Care Physicians, Specialists, Urgent Care Centers and other providers. This may affect the hospital where services are delivered. Please check with your doctor to confirm the hospital(s) where he or she admits for members enrolled in your PMG.

How often can I see my Primary Care Physician? Are appointments necessary?

You can see your PCP as often as necessary. You should always call for an appointment. Appointments are made to eliminate unnecessary waiting. If you are unable to keep a scheduled appointment, please call at least 24 hours in advance to cancel it.

Will telehealth-only providers have an address?

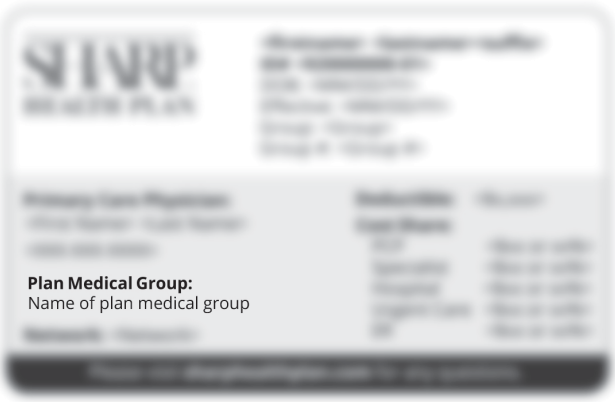

No, they will not. These providers will show the following values: Virtual: provider sees patients only via telehealth. In Home: provider sees patients only in their homes. In Facility Care: provider sees patients only at the location where the patient receives health care services.

Where can I find out the Medical School and Residency programs my provider went to?

Information about the Medical School and Residency program(s) completed by Sharp Health Plan doctors may be found in our printed directory or in the PDF version of our printed directory posted on this website.

How do I know what my Plan Medical Group (PMG) is?

You can find this information on your membership card, as seen below.

Respuestas a algunas de las preguntas más frecuentes

¿Que debo de hacer en caso de una Emergencia?

Si necesita atención médica de emergencia, llame al 911 o diríjase a la sala de emergencias más cercana.

¿Tendré cobertura dentro o fuera del área de servicio de Sharp Health Plan?

Los servicios de la sala de emergencias de un hospital brindados dentro o fuera del Área de servicio que sean Médicamente necesarios para el tratamiento de una Condición médica de emergencia están cubiertos. Pagará un Copago aplicable al hospital por los Servicios de emergencia brindados en la sala de emergencias de un hospital, ya sea que el hospital sea un Hospital del plan o no. El copago no se aplica si ingresa al hospital desde su sala de emergencias. Consulte su Manual del miembro en "¿Cuáles son sus beneficios cubiertos?" para obtener más información.

¿Que debo de hacer si no estoy seguro si se trata de una Emergencia?

Una condición médica de emergencia es una condición médica que se manifiesta por síntomas agudos de suficiente gravedad, incluido dolor intenso, de manera que la ausencia de atención médica inmediata podría razonablemente esperarse que resulte en cualquiera de los siguientes:

- Poner en grave peligro la salud del paciente; o
- Deterioro grave de las funciones corporales; o
- Disfunción grave de cualquier órgano o parte del cuerpo

Llame a su PCP (incluso fuera del horario de atención habitual). Su PCP puede ayudarle a decidir la mejor manera de obtener tratamiento y hacer que usted reciba cuidado de urgencia o atención en la sala de emergencias con rapidez. Sin embargo, no demore en obtener atención de inmediato si su PCP no se encuentra disponible.

Si recibe servicios de emergencia o cuidado de urgencia, y posteriormente el grupo médico o el plan determinan que la atención que recibió no era medicamente necesaria, el plan no pagará dichos servicios y usted debera hacerse responsable de los gastos. Consulte el Manual de Miembros para obtener más información.

¿Cuándo se debe acudir a Atención de Urgencia frente a la Sala de Emergencias?

La atención de emergencia puede salvarle la vida si está gravemente enfermo o lesionado. Pero para condiciones menos graves, puede obtener un tratamiento más rápido y menos costoso si acude a un centro de atención de urgencia.

Las razones comunes para visitar un centro de atención de urgencia incluyen:

- Esguinces o distensiones de brazos o piernas
- Dolores de cabeza que no son típicos para usted
- Dolor de garganta, tos, gripe o fiebre baja
- Infecciones del tracto urinario
- Vómitos o diarrea persistentes

Si una enfermedad o lesión es grave o si necesita atención inmediata, la sala de emergencias es la opción correcta. Las salas de emergencia están equipadas y cuentan con personal para atender necesidades de atención críticas y complejas.

Las razones comunes para visitar una sala de emergencias incluyen:

- Lesiones con traumatismos por accidente vehicular o caída
- Dolor en el pecho o dificultad para respirar
- Lesión importante en la cabeza
- Sospecha de ataque cardíaco o accidente cerebrovascular
- Convulsiones

Es importante recordar que debe acudir a un centro de atención de urgencia dentro del grupo médico de tu plan. Asegúrese de llamar a su médico de atención primaria (PCP) antes de su visita. Si no puede comunicarse con su médico durante el horario de atención, llame a Atención al Cliente al 1-858-499-8300.

Fuera del horario de atención y las 24 horas los fines de semana, llame a Sharp Nurse Connection® al 1-800-359-2002.

Puede visitar un centro de atención de urgencia conveniente cerca de usted. Después de recibir servicios de atención de urgencia, es posible que su PCP quiera verlo cuando regrese.

¿Que debo de hacer si necesito consultar con un Especialista?

Si necesita a un especialista para recibir tratamiento de su condición, su PCP lo referirá al especialista correspondiente. En la mayoría de los casos, en cada Grupo Médico se incluyen differentes Médicos de Cuidado Primario (PCP), Especialistas, Centros de Atención de Urgencia, y otros proveedores. Si consulta con un especialista sin la autorización de su PCP, Sharp Health Plan no cubrirá dichos servicios.

¿Que debo de hacer si necesito ir al Hospital?

Si debe ser hospitalizado, su médico de Sharp Health Plan lo referirá al hospital donde este tenga privilegios de admisión. En la mayoria de los casos, en cada Grupo Médico se incluyen differentes Médicos de Cuidado Primario (PCP), Especialistas, Centros de Atención de Urgencia, y otros proveedores. De estos dependerá el hospital donde se prestarían los servicios. Hable con su médico para que le confirme los hospitales en los que tiene privilegios de admisión, para los miembros inscritos en su Grupo Médico del Plan.

¿Con que frecuencia puedo consultar a mi Médico de Cuidado Primario (PCP)? ¿Es necesario hacer una cita?

Puede consultar a su PCP las veces que sean necesarias. Siempre debe llamar para solicitar una cita. Las citas se programan para que no tenga que esperar innecesariamente. Si no puede asistir a una cita programada, llame al menos con 24 horas de anticipación para cancelarla.

¿Los proveedores que solo ofrecen telesalud tendrán una dirección?

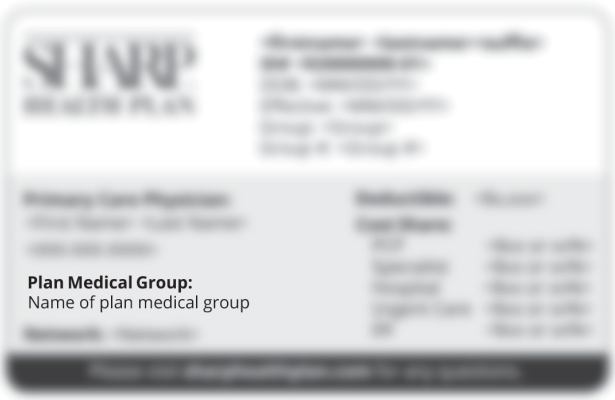

No, no la tendrán. Estos proveedores mostrarán las siguientes opciones: Virtual: el proveedor atiende a los pacientes únicamente mediante telesalud. En el hogar: el proveedor atiende a los pacientes únicamente en sus hogares. Atención en centros: el proveedor atiende a los pacientes únicamente en el lugar donde el paciente recibe servicios de atención médica.

¿Dónde puedo consultar en qué facultad de medicina y programas de residencia se formó mi proveedor?

La información sobre la facultad de medicina y los programas de residencia donde se formaron los médicos de Sharp Health Plan puede encontrarse en nuestro directorio impreso o en la versión en PDF del directorio impreso publicada en este sitio web.

¿Cómo sé cuál es mi Plan Medical Group (PMG)?

PCPs by Medical Group

The Plan has several physician groups (called Plan Medical Groups or PMGs) from which you choose your Primary Care Physician (PCP), and through which you receive specialty physician care or access to hospitals, urgent care centers, and other facilities. You obtain Covered Benefits through your PCP and from the Plan Providers who are affiliated with your PMG. If you do not locate a PCP with your Plan Medical Group, or you have questions regarding your ability to continue to use your current PCP, please contact the Sharp Health Plan Customer Care team to discuss the options available through Sharp Health Plan at 1-858-499-8300 or 1-800-359-2002.

Your PCP may refer you or direct you to see a Specialist Physician that is also affiliated with your Plan Medical Group. You may find a provider by Specialty and by the City where their medical office is located, by reviewing the Specialty Physicians section (please refer to the Table of Contents for the Page Number of that section).

If you need urgent care services, or need to be seen by a doctor on the same day, call your PCP (even after normal business hours). Members may only receive care at the Urgent Care Centers associated with their assigned Medical Group. You may find an Urgent Care location affiliated with your Plan Medical Group by reviewing the Urgent Care Centers section (please refer to the Table of Contents for the Page Number of that section).

Please note: The providers listed here are arranged by Specialty, City, and the Last Name of the Provider.

El plan tiene varios grupos de proveedores de salud (llamados Grupos Médicos del Plan o PMG) entre los que puede elegir a su Médico de Cuidado Primario (PCP), y a través de los cuales recibe atención de un médico especializado o acceso a hospitales, centros de atención de urgencia y otros centros de salud. Usted obtiene los Beneficios Cubiertos a través de su PCP y de los Proveedores del Plan que están afiliados con su PMG. Si no encuentra a su PCP con su Grupo Médico del Plan, o si tiene alguna duda con respecto a la posibilidad de seguir atendido por su PCP actual, comuníquese con Atención al Cliente de Sharp Health Plan al 1-858-499-8300 o al 1-800-359-2002 para discutir las opciones disponibles a través de Sharp Health Plan.

Su PCP puede referirlo o indicarle que consulte a un médico especialista que también esté afiliado a su Grupo Médico. Puede encontrar a un proveedor por su Especialidad y por la Ciudad donde se encuentra el consultorio médico, revisando la sección de Especialistas (la sección del Índice de este Directorio le indicará el número de página de esa sección).

Si necesita servicios de atención de urgencia, o si necesita que lo vea un médico el mismo día, llame a su PCP (incluso después de las horas normales de la oficina). Los miembros solo pueden recibir atención en los Centros de Atención de Urgencia asociados con su Grupo Médico asignado. Usted puede encontrar un Centro de Atención de Urgencia afiliado a su Grupo Médico, en la sección Centros de Atención de Urgencia (la sección del Índice de este Directorio le indicará el número de página de esa sección).

Tenga en cuenta que: Los proveedores enumerados aquí están organizados por Especialidad, Ciudad y el Apellido del Proveedor.

Specialty Physicians/Especialistas

As appropriate, your Primary Care Physician (PCP) will refer you to a specialist (usually within your Plan Medical Group).

As of January 1, 2026, we have partnered with OptumHealth Behavioral Solutions of California to provide mental health and substance use disorder services to our members. The OptumHealth Behavioral Solutions of California network includes thousands of providers, a suite of virtual mental health and substance use disorder specialty care, and 24/7 access to personalized evidence based digital tools and wellness resources. Please know that there is a separate print provider directory and online provider directory with listings of behavioral health providers and facilities within the OptumHealth Behavioral Solutions of California Network at www.sharphealthplan.com/findaprovider.

This section of the Provider Directory is arranged by Specialty (alphabetized), by City (alphabetized), then by the last name of the physician (alphabetized).

If you are newly enrolling with Sharp Health Plan and currently receive care from a PCP or a specialist, please make sure that both your PCP and specialist are participating in the Sharp Health Plan PERFORMANCE network, and that your specialist is associated with the same Plan Medical Group as your PCP. Please refer to the Medical Group Legend on the How to Use This Provider Directory section, to identify the acronym of the Med Group field with your Medical Group.

If you do not locate a Specialist with your Plan Medical Group, or you have questions regarding your ability to continue to see your current specialist, please contact the Sharp Health Plan Customer Care team to discuss the options available through Sharp Health Plan at 1-858-499-8300 or 1-800-359-2002.

Según corresponda, el Médico de Cuidado Primario (PCP) lo referirá a un especialista (generalmente, a uno del grupo médico de su plan).

A partir del 1 de enero de 2026, nos hemos asociado con OptumHealth Behavioral Solutions of California para brindar servicios de salud mental y de tratamiento de trastornos por uso de sustancias a nuestros afiliados. La red OptumHealth Behavioral Solutions of California incluye miles de proveedores, un abanico de servicios virtuales especializados en salud mental y trastornos por consumo de sustancias, y acceso las 24 horas, los 7 días de la semana, a herramientas digitales personalizadas basadas en evidencia y a recursos de bienestar. Ten en cuenta que existe un directorio impreso y otro en línea independientes, que incluyen listados de proveedores y centros de salud conductual dentro de la Red de OptumHealth Behavioral Solutions of California en www.sharphealthplan.com/findaprovider.

Esta sección del Directorio de Proveedores está ordenada por categoría de especialista (en orden alfabético), ciudad (en orden alfabético), y después por el apellido del médico (en orden alfabético).

Si se está inscribiendo recientemente en Sharp Health Plan y actualmente recibes atención de un PCP o de un especialista, asegúrate de que tanto su PCP como su especialista participen en la red PERFORMANCE de Sharp Health Plan, y de que su especialista esté asociado al mismo Grupo Médico del Plan que su médico de atención primaria. Por favor, consulte la Leyenda de Grupos Médicos en la sección "Cómo usar este Directorio de Proveedores" para identificar el acrónimo de su Grupo Médico en el campo "Grupo Médico".

Si no encuentra a un Especialista con su Grupo Médico del Plan, o si tiene alguna duda con respecto a la posibilidad de seguir siendo atendido por su especialista actual, comuníquese con Atención al Cliente de Sharp Health Plan al 1-858-499-8300 o al 1-800-359-2002 para discutir las opciones disponibles a través de Sharp Health Plan.

Hospitals/Hospitales

If you need hospitalization, your Sharp Health Plan physician will send you to the hospital where he or she has admitting privileges. Each Plan Medical Group (PMG) includes a different set of Primary Care Physicians (PCPs), specialists, urgent care centers and other providers. This may affect the hospital where services are delivered. Please check with your doctor to confirm the hospital(s) where he or she admits for members enrolled in your PMG.

Si debe ser hospitalizado, su médico de Sharp Health Plan lo remitirá al hospital donde este tenga privilegios de admisión. Cada grupo médico del plan incluye una colaboración diferente de Médicos de Cuidado Primario (PCP), especialistas, centros de atención de urgencia y otros proveedores. De estos dependerá el hospital donde se prestarán los servicios. Hable con su médico para que le confirme los hospitales en los que tiene privilegios de admisión para los miembros de su Grupo Médico del Plan.

Urgent Care Centers
Centros de Atención de Urgencia

When you need urgent care services, call your Primary Care Physician (PCP) (even after normal business hours). Your physician may advise you to receive services through a hospital emergency room, an urgent care center or advise you to be seen at the office the next day. If you do not locate an Urgent Care Center close to you and affiliated with your Plan Medical Group, please contact the Sharp Health Plan Customer Care team to discuss the options available through Sharp Health Plan at 1-858-499-8300 or 1-800-359-2002.

Si necesita servicios de atención de urgencia, llame a su Médico de Cuidado Primario (PCP), incluso fuera del horario de atención habitual. El médico puede aconsejarle que obtenga los servicios en la sala de emergencia de un hospital, o en un centro de atención de urgencia, o que vaya al consultorio el día siguiente. Si no encuentra un Centro de Atención de Urgencia cerca de usted y que esté afiliado a su Grupo Médico del Plan, comuníquese con Atención al Cliente de Sharp Health Plan al 1-858-499-8300 o al 1-800-359-2002 para discutir las opciones disponibles a través de Sharp Health Plan.

The following facilities provide medically necessary or elective care for services such as clinical laboratories, imaging centers, and skilled nursing facilities. Please refer to the Medical Group Legend on the "How to Use This Provider Directory" section, to identify the acronym of the Medical Group in which the provider participates. Members only have access to the facilities that are affiliated with the same Medical Group as the Member's Primary Care Physician (PCP).

Los siguientes centros, como laboratorios clínicos, centros de diagnóstico por imágenes y centros de enfermería especializada, brindan servicios de atención médicamente necesaria o electiva. Identifique el Grupo Médico (Med Group) que aparece en cada registro, consultando la Tabla de Acrónimos de Grupos Médicos que aparece en la sección "Cómo Utilizar el Directorio de Proveedores", para que identifique el acrónimo del Grupo Médico en el que participa el proveedor. Los miembros solo pueden ser attendidos en los centros que están afiliados al mismo Grupo Médico que su Médico de Cuidado Primario (PCP).

Pharmacies/Farmacias

Sharp Health Plan members have access to Albertsons Sav-On, CVS Pharmacy (including those at Target), Walgreens, Vons / Safeway, Ralphs, Costco and WalMart pharmacies throughout all of California, regardless of medical group affiliation. We have a national network of pharmacies inside and outside of our service area where you can fill prescriptions that are covered under your plan.

Utilizing a mail order pharmacy is a convenient, cost-effective way to obtain 90-day supplies of certain prescribed medications. Sharp Health Plan partners with CVS Caremark to administer the mail order pharmacy benefit. For maintenance medications filled through mail order, you will save the equivalent of a one-month supply for each 90-day supply you order. Please note that some medications are not appropriate or available for mail order fulfillment. To obtain more information about the program and to enroll, call CVS Caremark at 1-800-930-5190 or visit their website at Caremark.com/mailservice.

Los miembros de Sharp Health Plan tienen acceso a las farmacias Albertsons Sav-On, CVS Pharmacy (incluyendo las que se encuentran en Target), Walgreens, Vons / Safeway, Ralphs, Costco y WalMart en todo el territorio de California, independientemente del grupo médico al que estén afiliados. Contamos con una red nacional de farmacias dentro y fuera de nuestra área de servicio donde puede abastecer las recetas que cubre su plan.

La utilización de una farmacia de encargo por correo es una manera cómoda y económica de obtener suministros para 90 días de determinados medicamentos recetados. Sharp Health Plan se ha asociado con CVS Caremark para la administración del beneficio de farmacia de encargos por correo. Si usted abastece sus medicamentos de mantenimiento por medio de encargos por correo, se podrá ahorrar el costo equivalente al suministro de un mes, por cada suministro de 90 días abastecido. Tenga en cuenta que algunos medicamentos no son adecuados o no están disponibles para ser abastecidos por medio del encargo por correo. A fin de obtener más información sobre el programa o para inscribirse, llame a CVS Caremark al 1-800-930-5190 o visite su sitio web en Caremark.com/mailservice.
